Experienced Professionals

ABOUT US

Established in the year of **1987**, **H.R. Plastic Industries** are the leading **Manufacturer** of an extensive array of **Plastic Dana Making Machine, PVC Garden Pipe Making Machine, Plastic Scrap Grinder Machine, Plastic Granules Making Machine, Automatic Plastic Dryer Machine, Die Face Cutter**, etc. We direct all our activities to cater the expectations of customers by providing them excellent quality products as per their gratification. Moreover, we follow moral business policies and crystal pure transparency in all our transactions to keep healthy relations with the customers.

For our accomplishment story, we are grateful to our **Mr. Hetram Sharma**, whose continual backing and direction have been useful to us for attaining exponential development in the current market.

WHY US ?

Since our beginning, we are able to uphold strong connection with our patrons by providing them with high-quality products. Few are the unique key factors that have helped us to gain the trust of our clients are as follow:>

- Ethical business policies
- Stringent quality control
- Wide range of products
- Prompt delivery
- Dexterous team of professionals
- Spacious warehouse
- Easy payment modes
